MORE VALUE TO CLEANNESS

CLEANNESS IS A PRECIOUS ASSET THAT HELPS US LIVE BETTER. WE AT INTERCHEM ITALIA FULLY RECOGNISE ITS VALUE.

THIS IS WHY WE DAILY DEVOTE OURSELVES TO SPREADING AND IMPROVING THE WELLBEING AND JOY OF CLEANNESS.

ITALIA
INTERCHEM

MORE VALUE TO WORK TO COMPETENCE TO QUALITY TO RELIABILITY

Since 1987 we have been developing and manufacturing detergents and systems for professional cleaning. Together with the products, we efficiently and courteously give effective and flexible solutions and answers to the needs of customers and many end users, to whom we also offer consulting and training. This is our concept of **SERVICE**.

Our products are used in many sectors, from communities, hotels and restaurants to the food and non-food industries, coffee bars, offices and commercial distribution. They are different sectors with specific and growing needs that we listen to **CAREFULLY** and **RESPECTFULLY**.

The same respect that we have for our employees, suppliers, the community and the environment in which we operate.

We are a solid company because our foundations are solid. **CREDIBILITY** and **REPUTATION** have priceless value for us.

For this reason we let our conduct speak in our relationships with the market, with the communities in which we operate, and with people who work with us.

It is our concept of **INTEGRITY**, **TRANSPARENCY** and **RELIABILITY**.

Every year we invest around 10% of turnover in research and development of new solutions that are more effective and environmentally friendly. this is our concept of **INNOVATION**.

We create quality

concretely and daily without issuing proclamations because it is an integral part of our work, of our doing business and of our way of living.

We obtained **ISO 9001 Quality Certification and ISO 14001 Environmental Certification**, created an entire product line certified **ECOLABEL** and received the **CONAI** award for packaging sustainability.

We are the sponsoring company of the Centro Antiveneni (Antivenin Centre) of Bergamo – Papa Giovanni XXIII Hospital.

We are growing and we want to continue to grow.

It is our concept of **EXCELLENCE**. We do not settle for doing a good job. This is why we strive to continuously improve our products and services, and with them the results of the company. **Creating more value for all.**

ARGONIT INOX p. 135

If you think well, you cook well

(Ferran Adrià)

Cleanness in the kitchen is an absolute and indispensable value.

So we conceived and created effective products that are easy to handle, safe for operators and customers.

You take care of the rest. We'll take care of cleanness in the kitchen.

Archimedes entered a bathtub and realised that as he gradually lowered his body, the water overflowed.

This observation gave him the solution to the problem.

(Marco Vitruvio Pollione)

We give you simple, effective and safe solutions to keep the bathroom clean.
"Eureka! Eureka!"

We are helping the economic recovery!
(Interchem Italia)

People work better and are more productive in clean and pleasantly scented offices. This is why we use our products in our offices every day and we are pleased to share them with those who, like us, work seriously while always setting new growth objectives.

EXPERT CLEAN from p. 80
MD EXPERT p. 85-88

No act of kindness, no matter how small, is ever wasted.
(Aesop)

Cleanliness and hygiene of common areas form the first step toward creating good relations between those who share them for a short or long period of time. We are proud to contribute to a better quality of life together.

When you walk into a hotel room and close the door, you know that there is a secret, a luxury, a fantasy. There is comfort. There is assurance.

(Diane von Fürstenberg)

And you also know that all this could not exist without cleanliness and hygiene.

MACHINE DISHWASHING DETERGENT

Restaurant customers consider cleanliness and hygiene more important than the food. To obtain them, it is essential that the machine dishwashing process reach two objectives: **total removal of grime and dry and sparkling dishes.**

We add a third objective that is just as important: the process should be inexpensive to use. Three goals that are fully achieved by our 19 products, rich in innovative and high performance components.

DISHES – MACHINE WASHING

SYNER MATIC ENERGY

SOFT WATER DISHWASHING DETERGENT

- SPECIFIC FOR SOFTENED WATER OR WATER WITH HARDNESS UP TO 15°F
- DOES NOT EAT THE SEALS
- PREVENTS LIMESCALE FROM BUILDING UP IN THE MACHINE

WHAT IT IS FOR

Liquid concentrated machine dishwashing detergent for soft water (up to 15°F), with any kind of professional dishwasher. High degreasing and antiredeposition power, effective even with extremely low dosages.

RECOMMENDED DOSAGE

Dilute from 2 to 4 g per litre of water, depending on the hardness of the water.

USE

Use only in professional dishwashers or cup washers by pouring the established dose directly into the drawer or using automatic dosing systems.

SYNER TABS

5-IN-1 DETERGENT TABLETS FOR GLASS AND CUP WASHERS

- ONLY ONE TABLET FOR FIVE ACTIONS
- EFFECTIVE ON ALL KINDS OF GRIME
- ANTICORROSIVE AND DESCALING ACTION

WHAT IT IS FOR

5-in-1 tablets (detergent, rinse aid, descaler, glass protection and dishwasher cleaning) for cleaning glassware and coffee cups in short-cycle dishwashers. Effective on all kinds of grime (proteins, sugar, lipstick, coffee). Formulated with anticorrosive agents combined with a balanced blend of carbonates and silicates, it minimizes the risk of glass being corroded and silverware becoming tarnished. Keeps the machine clean and scale free with its special descaling formula.

RECOMMENDED DOSAGE

Use 1 tablet every 5 to 8 wash cycles depending on the degree of washing difficulty.

USE

In professional dishwashers or cup washers, place one tablet directly into the drawer according to the established dosage.

DISHES – MACHINE WASHING

SYNER KALC

STRONG ANTI-LIMESCALE

- FAST-ACTING AND EFFECTIVE FOR CLEANING AND DESCALING DISHWASHERS
- DOES NOT EAT INTO METALS AND MACHINES IN GENERAL
- DOES NOT CONTAIN HYDROCHLORIC ACID

WHAT IT IS FOR

Easy-to-use liquid descaler with acidic pH that is particularly suitable for the routine descaling of machine dishwashing systems. Also great for descaling steel tools, glass, pots and pans and cutlery. Removes limescale quickly and safely. Does not eat into metals and machines in general. Does not contain hydrochloric acid.

RECOMMENDED DOSAGE

Dilute 50 g per litre of water.

USE

In professional dishwashers or cup washers, pour the amount of product directly into drawer and run a normal wash cycle with the machine empty. Increase dosage for more stubborn scale. To remove limescale from steel tools, glass, pots and pans, soak in a solution of the product.

DISHES – MACHINE WASHING

SYNER AMMOLLO

DISH SOAKING DETERGENT

- REMOVES ORGANIC GREASE, STARCH AND CASEIN RESIDUE
- ESSENTIAL WHEN DISHES ARE NOT WASHED SHORTLY AFTER USE
- NON-FOAMING

WHAT IT IS FOR

Concentrated liquid descaling-grease remover detergent for soaking dishes, cutlery and utensils before washing in dishwashers. Removes organic grease, starch and casein residue.

It saves energy and detergent during subsequent machine dishwashing. Lemon scented.

No rinsing required.

RECOMMENDED DOSAGE

Dilute from 4 to 6 g per litre of water, depending on the hardness of the water.

USE

Place cutlery and dishes in the baskets and remove larger food particles with jet. Soak in a solution of the product. Before washing in the dishwasher, use a jet of water to eliminate the product residues.

DISHES – MACHINE WASHING

SYNER ALUSIL

DISHWASHER DETERGENT FOR DELICATE METALS

- DOES NOT ATTACK TREATED DISHES
- ESSENTIAL FOR ALUMINIUM DISHES AND SILVER CUTLERY
- WITHOUT CAUSTIC SUBSTANCES

WHAT IT IS FOR

Specific liquid detergent for washing aluminium dishes and silver cutlery in dishwashers. We recommend a pre-wash before using it in the machine. The sequestering agents included in its formula mean that it degrades just as effectively when used in very hard water (over 25°F).

RECOMMENDED DOSAGE

Dilute from 2 to 5 g per litre of water, depending on the hardness of the water and the degree of washing difficulty.

USE

Use only in professional dishwashers or cup washers by pouring the established dose directly into the drawer or using automatic dosing systems.

FLOORS

They are the surfaces where cleaners mainly perform their activities. **Many surfaces, many treatments** and generally even more products difficult to choose from. **With the Interchem Italia Floors line, it is different** because **we offer simple, effective and economic solutions**. You will find them on the following pages and, for your convenience, we have summarised them in a handy table on pages 20 and 21.

FLOORS

EXPERT CLEAN FLOREALE

FLORAL-SCENTED FLOOR MAINTENANCE DETERGENT

- > NO RINSING REQUIRED
- > INTENSELY SCENTED
- > DOES NOT EAT INTO WAX

WHAT IT IS FOR

Universal concentrated scented detergent for routine maintenance of floors and surfaces. Can be used with mop, fringe, sponge and floor washer/dryer. It does not need to be rinsed off and leaves a lasting pleasant hint of floral fragrance in the room. Does not eat into wax.

RECOMMENDED DOSAGE

Dilute in water at a rate of 1 to 3%.

USE

Wash surfaces using mop and bucket, fringe or floor washer/dryer. No rinsing required. For routine cleaning, dilute at 1%. For greater cleaning power and to get an intense fragrance, dilute between 2 and 3%.

ARGONIT MOQUETTES

DETERGENT FOR CLEANING CARPETS WITH INJECTION/EXTRACTION SYSTEM

- LOW FOAMING
- WORKS GENTLY ON FABRICS, REMOVING DIRT OF ALL KINDS
- DELICATELY SCENTED

WHAT IT IS FOR

Low-foaming scented liquid detergent ideal for washing carpets, rugs and water-resistant upholstery with an injection/extraction system.

RECOMMENDED DOSAGE

Dilute in water at a rate of 5 to 10%.

USE

Pour the recommended dose into the washing tank and proceed following the machine manufacturer's instructions.

ARGONIT ACID

DESCALING DETERGENT FOR FLOORS AND SURFACES

- ACTS QUICKLY ON ANY SCALE
- CONTROLLED-FOAMING DETERGENT, EASY TO RINSE
- DOES NOT CONTAIN HYDROCHLORIC ACID AND DOES NOT EAT INTO METALS

WHAT IT IS FOR

Acid-based descaling detergent specifically formulated to totally remove all traces of limescale from any acid-resistant surface. Particularly suitable for floors covered in stoneware, terracotta, clinker, ceramic or other tiles and stainless steel. Ideal for swimming pool edges.

RECOMMENDED DOSAGE

Dilute in water at a rate of 1 to 5%.

USE

Apply the solution of the product evenly over the floor to be treated, wait a few minutes and wash surfaces using a mop, single brush machine or floor washer/dryer. Always rinse with plenty of water.

ONDAL

AMMONIAC DEGREASING DETERGENT

- AMMONIAC DETERGENT
- HIGH DEGREASING POWER
- CAN BE USED WITH MANUAL OR MECHANICAL SYSTEMS

WHAT IT IS FOR

Concentrated ammoniac degreasing detergent suitable for cleaning floors, tiles and washable surfaces such as stoneware, clinker and ceramic. Apart from producing a total degreasing action, ONDAL also deodorizes effectively, leaving the room feeling pleasantly clean. Ideal for rooms with greasy dirt, like kitchens, canteens and industries.

RECOMMENDED DOSAGE

Dilute in water at a rate of 1 to 3%.

USE

Wash surfaces using mop and bucket, fringe, single brush machine or floor washer/dryer. No rinsing required.

FLOORS FAT PLUS

ENERGETIC ODOURLESS DEGREASER

- COMPLETELY ODOURLESS
- EASY TO RINSE
- CAN BE USED WITH MOP OR FLOOR WASHER/DRYER

WHAT IT IS FOR

Alkaline-based energetic super-degreasing detergent, especially recommended for eliminating animal and vegetable grease from any washable surface fast. Ideal for kitchens with particularly grimy surfaces or with porous floors, food, dairy and cheese factories, slaughterhouses, butcher's shops and walk-in refrigerators, garages and mechanical industries, etc. Completely odourless, easy to rinse off and can also be used with floor washer/dryers.

RECOMMENDED DOSAGE

Dilute in water at a rate of 2 to 4%.

USE

Wash surfaces using mop and bucket, fringe, single brush machine or floor washer/dryer. Rinsing always required. On rubber, linoleum or PVC floors, test colour fastness on a corner that is hidden from view.

ANTISCHIUMA 866

CONCENTRATED SILICONE ANTI-FOAMING AGENT

- ALSO ACTS QUICKLY WITH DENSE FOAM
- CONCENTRATED PRODUCT
- IDEAL FOR FLOOR WASHER/DRYER AND INJECTION/EXTRACTION MACHINES

WHAT IT IS FOR

Silicone-based emulsion particularly effective for eliminating the foam of normal washing detergents. Ideal for cleaning carpets with a wet and dry vacuum cleaner. Can be used in any extraction system or floor washer/dryer.

RECOMMENDED DOSAGE

Dilute as needed.

USE

For floor washer/dryers, put a few grams into the machine's recovery tank.

For extraction systems, fill the relevant reservoir or, alternatively, spray directly onto the carpet before cleaning. If using a single brush machine, spray a solution of the product onto the floor. Shake the product before use.

CLEAN CAFF

DETERGENT FOR ESPRESSO COFFEE MAKER FILTERS AND ARMS

H.A.C.C.P.

- › DISSOLVES COFFEE RESIDUE QUICKLY
- › EASY AND QUICK MAINTENANCE
- › SAFE FOR OPERATORS

WHAT IT IS FOR

Special liquid detergent for cleaning espresso coffee maker filters and arms fast. Dissolves baked-on and burnt remnants of coffee grease instantly. Allows easy and quick maintenance. It is even effective on parts of the machine that hands or cleaning brushes cannot get to, and coffee aroma will not be affected by dirt and grease.

RECOMMENDED DOSAGE

Dispense 25 ml into the blind filter and open the dispenser for a few seconds.

For washing immersed, use it diluted at 4%.

USE

To clean filters and arms: pour 20 ml of undiluted product into the blind filter, open the dispenser for a few seconds, close it and repeat the operation until you see clean water come out. Perform thorough rinsing. For cleaning moving parts: use the product diluted in boiling water by immersing the parts to be treated. Then rinse thoroughly.

ARGONIT METALLI

PROTECTIVE METAL POLISHING CREAM

- SUITABLE FOR ALL TYPES OF METAL
- HIGH DEOXIDIZING POWER
- ANTIRUST ACTION

WHAT IT IS FOR

Protective polishing and cleaning cream for all metal objects. Particularly suitable for deoxidizing copper, brass, bronze and silver, it protects the treated surfaces for a long time.

Also removes traces of rust, delaying its formation. It is easy to remove with a cloth, or can be rinsed off with water when the treated object is to come into contact with food (cutlery, base plates, etc.).

RECOMMENDED DOSAGE

Ready-to-use product.

USE

Pour a small amount of product onto a soft cloth and rub on gently and evenly. Wipe and polish with a soft, dry cloth, removing any residue of product. For objects that come into contact with food, always rinse with water.

CLEANERS

EFFICACE MULTIGEN

MULTI-PURPOSE SANITIZING DETERGENT

- > READY TO USE
- > CLEANING AND SANITIZING ACTION
- > PLEASANTLY SCENTED

WHAT IT IS FOR

Ready-to-use scented sanitizing detergent for cleaning and sanitizing all washable surfaces, tables, chairs, bedside tables, beds, doors, handles, glass, mirrors, windows, laminates, tiles, car interiors, chrome fittings, etc. Ideal for daily use in hospitals, nursing homes, rest homes, hotels, offices, institutions, schools, kindergartens and anywhere a more thorough cleaning of surfaces with a sanitizing effect is required.

RECOMMENDED DOSAGE

Ready-to-use product.

USE

Spray the undiluted product on the surface to clean and wipe with paper or cloth until completely dry. When cleaning computers or electronic equipment, spray the product onto the cloth and only wipe down the surface with the equipment switched off. No rinsing required.

ARGONIT INTERATTIVO

POWERFUL DEGREASING DETERGENT

- QUICKLY ELIMINATES THE MOST STUBBORN DIRT WITHOUT DAMAGING THE SURFACES
- GREAT VERSATILITY OF USE IN A WIDE RANGE OF ENVIRONMENTS
- NO RINSING REQUIRED

WHAT IT IS FOR

Exceptionally effective no-rinse, ready-to-use universal degreasing detergent. It is used on all washable surfaces that are very dirty. Excellent as a stain remover for carpets. Degreases and thoroughly cleans the surfaces, drying quickly and without leaving streaks or residue.

RECOMMENDED DOSAGE

Ready-to-use product.

USE

Spray the undiluted product directly onto the surface to be cleaned, then remove with a cloth or paper towel. For more stubborn stains, leave on for a few seconds.

CLEANERS

ARGONIT PRO-INK

FAST CLEANER FOR REMOVING INK, MARKERS AND STAMPS

- WORKS IMMEDIATELY
- READY-TO-USE PRODUCT, NO RINSING REQUIRED
- PLEASANTLY SCENTED

WHAT IT IS FOR

Powerful scented detergent to immediately remove ink and marks of pens and felt-tip pens from desks, office furniture, school desks, etc. Ready-to-use product, no rinsing required. It also quickly works on stratified grime, such as oil and grease, without leaving marks. Does not release bad odours.

RECOMMENDED DOSAGE

Ready-to-use product.

USE

Spray the undiluted product directly onto the surface, totally covering the stain to be deleted, and wipe with disposable paper or cloth until completely dry. For more stubborn stains or marks of felt-tip pens, increase the contact times. No rinsing required.

NEOCAR W/2

DEGREASING DETERGENT FOR PRESSURISED SYSTEMS

- QUICKLY AND EFFECTIVELY DEGREASES ANY SURFACE
- FAST DRYING WITH SHINY EFFECT
- RESPECTS EVEN THE MOST DELICATE PAINTWORK

WHAT IT IS FOR

Concentrated degreasing detergent particularly effective against oily dirt, smog and greasy residues. Specially formulated for cleaning car bodies and truck curtains, as well as floors and washable walls, with traditional low or high-pressure systems.

RECOMMENDED DOSAGE

From 1 to 3% for low pressure devices.
From 4 to 6% for high pressure devices.

USE

Can be used with low or high-pressure systems (with and without automatic drawing of the product). In the case of car bodies, cool the surface before use.

For flooring washing, using mop and bucket, single brush machine or floor washer/dryer. Rinsing always required.

PROFESSIONAL CLEANER'S

It is one of the most complex and difficult fields in the vast world of **fabric washing**. We have gained a wealth of expertise and knowledge to become able to tackle and solve all of its problems. **The TEXONIT line is dedicated to those who work in the sector with dedication and professional competence.** We offer them a full range of products, appropriate dispensing equipment and, above all, commercial solutions to meet every requirement.

PROFESSIONAL CLEANER'S TEXONIT CS-90

ALKALINE DETERGENT

- CONCENTRATED PRODUCT
- ELIMINATES PARTICULARLY SEVERE SOILING AND GREASY STAINS
- HIGH SEQUESTERING POWER

WHAT IT IS FOR

High concentration sequestrant alkaline detergent. Can be used in combination with products of the TEXONIT line: TA-35 / TC-60 / TC-80 with which it develops a powerful synergetic action.

RECOMMENDED DOSAGE

We recommend dividing the laundry according to the following levels of dirt: light, medium and heavily soiled.

Approximate average dosage (grams per kg of dry laundry):

Pre-wash 7 – 12 g/kg, Wash 10 – 17 g/kg,

All-In-One-Wash 15 – 25 g/kg.

The concentrations are determined based on the specific needs. See the washing programmes.

USE

Can be used only in professional washing machines with automatic dosing systems.

BIOLOGICAL PRODUCTS

"Biological products" are those products that use biotechnologies (integrated use of biology, biochemistry and engineering) to **solve problems** such as the treatment of waste water, septic tanks, elimination of odours and residues of organic origin, the blocking of drains, etc. **Using these natural and eco-friendly products** solves problems while **reducing costs** compared to standard treatments.

BIOLOGICAL PRODUCTS

ARGONIT BIO SCARICHI

BIO-DETERGENT FOR TREATING DRAINS

H.A.C.C.P.

- REDUCES UP TO 80% OF DRAINING OPERATIONS
- KEEPS DRAINS FREE OF CLOGGING AND BLOCKAGES
- ELIMINATES BAD ODOURS

WHAT IT IS FOR

Liquid biological product for treating drains, pipes, sanitary fixture waste pipes and grease separators.

Removes organic dirt, prevents clogging of the pipes and the formation of bad odours.

RECOMMENDED DOSAGE

Follow the intervention plan.

USE

Can be used with automatic dosing systems or manually mixed with warm water.

Place the product in the drain pipes while avoiding the release of chemicals immediately after use of the product.

pH 8

Size	Pieces per box	Boxes per layer	Boxes per pallet	EAN code

BIOLOGICAL PRODUCTS

ARGONIT BIO FOSSE

BIO-ACTIVATOR FOR TREATING SEPTIC TANKS

- REDUCES UP TO 80% OF SEPTIC TANK DRAINING OPERATIONS
- KEEPS THE DRAINS FREE OF CLOGGING AND BLOCKAGES
- ELIMINATES BAD ODOURS

WHAT IT IS FOR

Biological powder product for treating septic tanks, cesspools and purification plants.

RECOMMENDED DOSAGE

Follow the intervention plan.

USE

In the evening put the recommended dose into the toilet and let the powder soak all night in order to activate the bacteria.

Flush the next morning so that the solution also activates the stretch of pipe going from the bowl to the tank.

BIOLOGICAL PRODUCTS

ARGONIT BIO HYGIENIC LT

DEODORIZING ODOUR CONTROL BIO-DETERGENT

- ELIMINATES BAD ODOURS
- IDEAL FOR SKIPS, RUBBISH BINS AND URBAN LITTERBINS
- WASHES THE SMELLY SURFACES, LEAVING A PLEASANT SCENT

WHAT IT IS FOR

Biological product for removing dirt and bad odours caused by organic residue or waste. Formulated for multiple uses, it is ideal for rubbish bins, skips, pet litter and gutters in food processing departments.

RECOMMENDED DOSAGE

Dilute in water at 5%. Use pure for deodorizing.

USE

To deodorize, spray directly onto the source of bad odour and leave it on. Repeat the operation if necessary.

For washing, use a sponge, mop and bucket, fringe or floor washer/dryer. Leave on for a few minutes and rinse.

- ALSO SUITABLE FOR FREQUENT WASHING

WHAT IT IS FOR

Cleansing emulsion with physiological pH for cleaning particularly sensitive and delicate skin. It has refreshing, soothing, vaso-regulating, nourishing and moisturising properties.

RECOMMENDED DOSAGE

Ready-to-use product.

USE

Pour a few drops of product onto wet hands or a wet sponge, distribute all over the body or area to be washed; rinse thoroughly with water.

SUPER-CONCENTRATED ALCOHOLIC DETERGENT

- › SUPER-CONCENTRATED MILD ALCOHOLIC DETERGENT FOR ALL FLOORS
- › DRIES QUICKLY AND DOES NOT REQUIRE RINSING
- › HIGH YIELD AND INEXPENSIVE TO USE

WHAT IT IS FOR

Super-concentrated alcoholic detergent for maintenance and thorough cleaning of all washable surfaces in any environment: schools, hospitals, public offices, kindergartens, nursing homes, banks, gyms, etc. Dries quickly, leaving treated surfaces shiny, streak-free and smelling pleasantly clean. Suitable even for surfaces protected with a layer of wax. Ideal for ceramic and polished porcelain floors.

RECOMMENDED DOSAGE

Dilute in water at a rate of 0.25 to 0.5%.

USE

Wash surfaces using mop and bucket, fringe or floor washer/dryer. No rinsing required.

SUPER-CONCENTRATED ENERGETIC DEGREASER

- › SUPER-CONCENTRATED LOW-FOAMING DEGREASER
- › PERFECTLY CLEANS SURFACES WITHOUT ATTACKING METALS
- › HIGH YIELD AND INEXPENSIVE TO USE

WHAT IT IS FOR

Super-concentrated energetic degreasing detergent designed to clean heavily soiled surfaces. Since it is low-foaming, it can be used with any washing system (sponge, mop bucket system, floor washer/dryer). Does not attach metals and alloys, and requires no rinsing. Pleasantly scented.

RECOMMENDED DOSAGE

1 measure (25 ml) in the relevant 500ml bottle for a ready-to-use product. For floors, dilute in water at a rate of 0.25 to 0.5%.

USE

For floors, use mop and bucket, fringe or floor washer/dryer without rinsing. For all washable surfaces, spray the product in solution, leave on for a few seconds and wipe with paper, cloth or sponge. In the case of surfaces that come into contact with food, rinse.

ARGONIT AS-21

SUPER-CONCENTRATED SANITIZER

- TRIPLE ACTION: CLEANSING, SANITIZING, SCENTING
- IDEAL FOR ANY WASHABLE SURFACE, DOES NOT ATTACK METALS
- HIGH YIELD AND INEXPENSIVE TO USE

WHAT IT IS FOR

Super-concentrated scented sanitizing detergent for a high level of hygiene. Cleans and sanitizes all in one go and, being pH neutral, it doesn't alter the surfaces' shine, even if they are waxed. Essential in all environments where safe hygiene is a must: schools, hospitals, nursing homes, gyms, etc. It leaves a pleasant lasting fragrance in the room.

RECOMMENDED DOSAGE

1 measure (25 ml) in the relevant 500ml bottle for a ready-to-use product. For floors, dilute in water at a rate of 0.25 to 0.5%.

USE

For floors, use mop and bucket, fringe or floor washer/dryer without rinsing. For all washable surfaces, spray the product in solution and wipe with paper, cloth or sponge. In the case of surfaces that come into contact with food, rinse.

SUPER-CONCENTRATED BATHROOM CLEANER

IDONEO
GPP
CAM

- › ELIMINATES GREASE AND SOAP GRIME AND PREVENTS LIMESCALE
- › FORMS A THIN PROTECTIVE FILM ON THE TREATED SURFACES
- › DOES NOT EAT INTO METALS

WHAT IT IS FOR

Super-scented descaling detergent for cleaning and removing scale from all washable bathroom surfaces. With its slightly acidic pH, it eliminates greasy dirt, soap scum and light limescale, leaving a pleasant hint of fragrance in the room. Designed for preparing "ready-to-use detergents". Do not use on marble or natural stone; do not use undiluted.

RECOMMENDED DOSAGE

1 measure (25 ml) in the relevant 500ml bottle for a ready-to-use product. For floors, dilute in water at a rate of 0.5%.

USE

Spray a small amount of product in solution directly onto the surface to be cleaned, wipe with a sponge or microfibre cloth and rinse with water. Avoid use on marble and natural stone.

SUPER-CONCENTRATED MULTIPURPOSE AND GLASS CLEANER

IDONEO
GPP
CAM

- › SUPER-CONCENTRATED DUAL MULTIPURPOSE AND GLASS ACTION
- › HIGH YIELD AND INEXPENSIVE TO USE
- › FOR ANY WASHABLE SURFACE

WHAT IT IS FOR

Scented detergent for cleaning glass and mirrors, and is excellent for cleaning and degreasing any washable surface (counters, desks, doors, windows, enamelled, chromed or tiled surfaces, etc.). Diluted in different quantities, it makes an effective glass cleaner as well as a multipurpose cleaner. Designed for preparing "ready-to-use detergents". Do not use undiluted.

RECOMMENDED DOSAGE

For glass and dusting: 1 measure (25 ml) in the relevant 500ml bottle for a ready-to-use product. As multipurpose detergent: 2 measures (50 ml) in the relevant 500ml bottle.

USE

Spray a small amount of product in solution onto the surface to be cleaned and dry with a cloth or paper towel. For more stubborn stains, increase the contact times.
